To whom all it may concern:

everybody in the World is encouraged to make copies of this letter and send them out to everybody in the World

For by wise counsel thou shalt make thy way and in multitude of counselors there is safety

Proverbs 24:6

if thine enemy hunger feed him and if he thirst give him drink for thou shalt heap coals of fire upon his head and the Lord shall reward thee. Be not overcome of evil but overcome evil with good

Proverbs 25:21-22
Romans 12:20-21

About 50 copies of a 15 page letter based on these two principals were sent to the government and the press during Operation Desert Shield. The letter appeared in the B'ham newspaper

2

Perhaps you notice that the war was carried out in this order

Perhaps you remember Ann Richards who said:

Poor George! he can't help it!
he was born with a silver boot in his mouth!

George Bush sent her an expensive silver boot with diamonds in it

This was the same principal Q used on him

Previously Q had sent him a quart of oil

1600 Pen. Av. N. W. Wash. D.C. 20001

Bush was accused of taking candy and milk from Saddam Hussein's country

So I sent a box of candy to Saddam Hussein

3

I have only been persecuted every since and now I am homeless

I am backed into a corner

Here are some suggested things that I want

I have already written to the VA

I ordered them to give me the maximum increase in benefits and the maximum back payments

I told them if they dont then I will have to feed them

even I can not imagine how this will occur if they do not obey my orders

Will you please see to it that my orders are followed

I need the money in my account by 6.00 AM 1-11-06 Wednesday

4

As soon as possible I would ^{like} to have
my name changed officially to:
Captain of the U S A

Exodus 18 & Deut 1

I need the necessary licences and
permits to launch my campaign
for "President" of the U S A

By the time I take the "oath" of office
this system of government
will already be in place

I need two more picture IDs

I need another address to get my
mail

I need unlimited long distance
cell phone capability

I need a place to live

I need transportation

Biblical solutions to world problems
will follow

5

I challenge Bush to as many debates
as it takes until the whole truth
comes out

The first one should occur in front
of, around this cold dark
abandoned van where I am
sleeping now

I want all his oil

I want all his money

I want all his businesses

I want all his assets

I like to flatter myself to think
that I am a merciful
reasonable man

He can keep ~~the~~ his loving
supportive wife and kids

I do not want them

HAA HAA HAA HAA

Then let him ~~with~~ come and
sleep here and let me go sleep
in the white if I dont soak it
inside and out with oil and
burn it down

6

or better yet why not just dig
a well right down thru the
middle of his insignificant
small minded happy wimpy
little white house

march around it 7 times
just like Joshua at the battle
of Jericho and **BTHEN** burn
it down

Then when Bush becomes cold
hungry and thirsty let every
body in the whole world tend
to his needs even though he
deserves to be stoned to death

Let **ME** go to Iraq to hear Saddam's
case

I feel that my **WORKS** make
me qualified

NOT my "credentials"

I don't have any except that
my heart is right with
God

7

anyone can come to my van any
time

It is across from wholesale
transmission on greensprings
y that does not get taken
away also

Can ~~the~~ you help me get it
running and keep it?
